Answer

MINISTER OF STATE FOR TEXTILES
(SHRI AJAY TAMTA)

(a): There are 35 textiles clusters (Handloom) operating in Jharkhand. The details are at Annexure-A.

(b): The Government has identified 33 new Block Level Handloom Clusters in the state of Jharkhand. The details are at Annexure-B.

(c) to (e): The existing textile (handloom) clusters require focus on marketing of their finished products on regular basis and more emphasis on value added product to sustain financially. Due to constraints in getting adequate market for their products, two textile clusters i.e., Kundri in Daltonganj and Murumdega in Simdega have become non-functional as per the report received from Govt. of Jharkhand.
